

FDA Radiological Health Electronic Submission Program

This certifies that:

Chengdu Meskernel Integrated Technology CO.,LTD

5th Floor, 1A, Jingronghui, High-tech Zone, Chengdu City, Sichuan Province, China

has been filed according to reporting requirements in Title 21, Code of Federal Regulations (CFR), Part 1002 for Radiation product Initial Report. Submission has been assigned an ACCESSION NUMBER which can be used by manufacturer and FDA to identify submission as below:

Accession Number: 2311840-000

**Product: Data Measurement, Transmit, Control Laser Products
(laser distance module)**

Model(s): See annex.

This just indicate that the file-holder's report its products to FDA CDRH. The Accession Number does not denote anything other than that the establishment has reported certain information to FDA.

This file affirms that the above stated information is reported with the U.S. Food and Drug Administration pursuant to Title 21, Code of Federal Regulations (CFR), Part 1002.

CCTS makes no other presentations or warranties, nor does this file make any representations or warranties to any person or entity other than the named file holder, for whose sole benefit it is issued. CCTS assume no liability to any person or entity in connection with the foregoing. The U.S. Food and Drug Administration does not issue a certificate of registration, nor does the U.S. Food and Drug Administration recognize a certificate of registration. CCTS is not affiliated with the U.S. Food and Drug Administration.

Please note that your firm is required to submit an Annual Report to CDRH every year by September 1.
